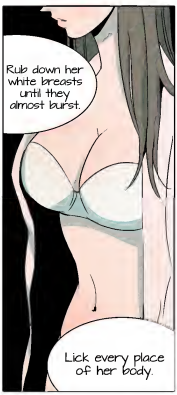
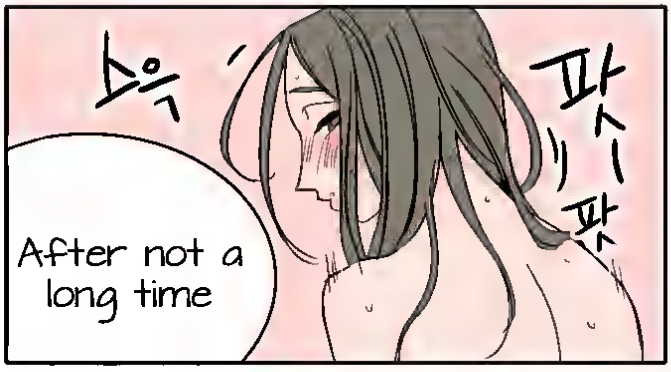
I felt it since the first time when I saw her.

I want to do it with this woman.



Rub down her white breasts until they almost burst.
Lick every place of her body.



After not a long time

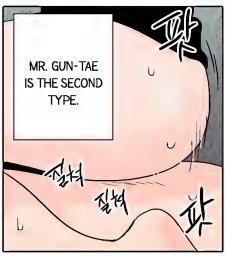
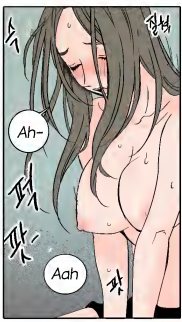
THERE ARE TWO TYPES OF MEN.

THE FIRST TYPE WHO TALKS LESS AFTER SEX

AND THE SECOND TYPE WHO TALKS MORE AFTER SEX.



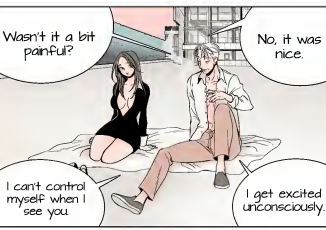


프슉!

하앗
Ah!
Aah..

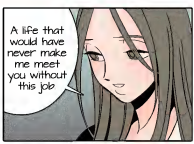
Good job.
You've done
well

후우

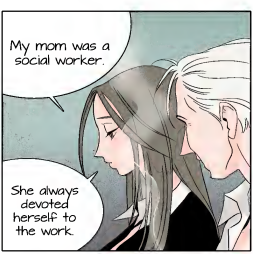


Wasn't it a bit painful?
No, it was nice.
I can't control myself when I see you.
I get excited unconsciously.

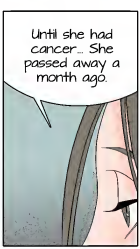
How did you live before you came here?



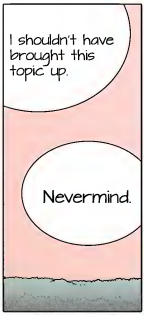
A life that would have never make me meet you without this job.



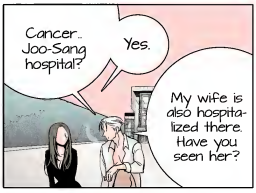
My mom was a social worker.
She always devoted herself to the work.



Until she had cancer... She passed away a month ago.



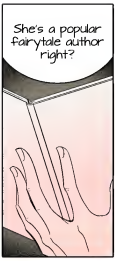
I shouldn't have brought this topic up.
Nevermind.



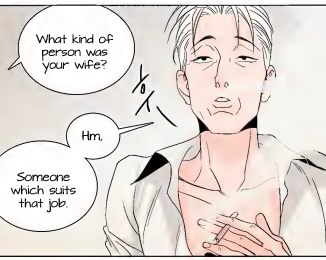
Cancer... Joo-Sang hospital?
Yes.
My wife is also hospitalized there. Have you seen her?

No.

I've only seen her on a picture.



She's a popular fairytale author right?



What kind of person was your wife?
Hm.
Someone which suits that job.

Always working very hard on getting some new inspiration.
She was always writing something at home.

The success for that kind of people is like a disaster for them.

Human can wilt like a flower.
Her charm was already gone.

Art is difficult.
it's sad being unable to give birth to more baby's.
It's painful to see you change..

I felt it.
'She is addicted to disaster.'

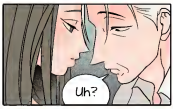
Then the tumor was detected..
And now she has half a year to live.

That's the destiny of that woman.

My destiny is to meet you.

Isn't it odd that they were in the same hospital?

You are like a last gift of my wife.



Uh?

Oh.

Haven't cleaned it all.

Oh....

We have to be careful with this.

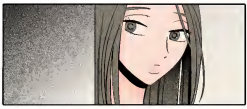
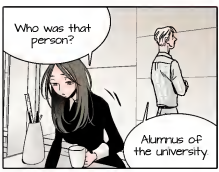
Who's there?
다녀오

끼익

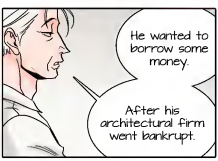
Ah, hello.



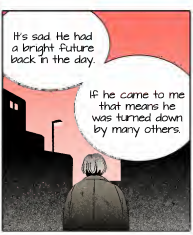
툭



Who was that person?
Alumnus of the university.



He wanted to borrow some money.
After his architectural firm went bankrupt.



It's sad. He had a bright future back in the day.
If he came to me that means he was turned down by many others.

You can predict someone's destiny.

So... Did you help him?
샤-

No I didn't lend him anything.

Do you know how much he looked down on me?

If you don't have the ability you shouldn't take more than you can handle

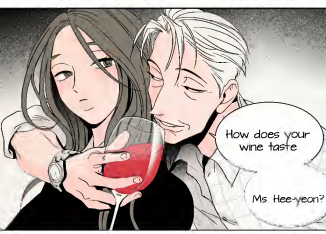
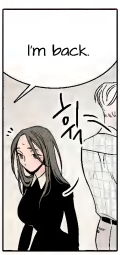
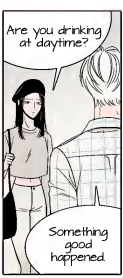
Today we are going to taste what life is about



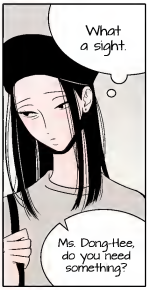
How does your wine taste
Ms. Hee-yeon?



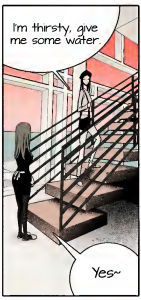
I'm back.
노이즈



Are you drinking at daytime?
Something good happened.

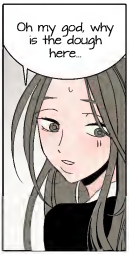


What a sight.
Ms. Dong-Hee, do you need something?



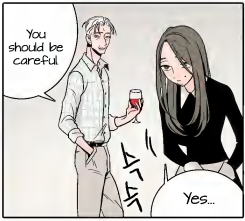
I'm thirsty, give me some water.
Yes~

There's something on your butt.
What?



Oh my god, why is the dough here..

끼익



You should be careful
스윽
Yes..

THE GUEST WHO VISITED THAT DAY

COMMITTED SUICIDE AFTER A FEW DAYS

스윽
MR. GUN-TAE'S MOUTH WHICH SAID THOSE WORDS WAS SMILING SLIGHTLY.
